When Convened: 3:00 PM.

Who Present: B. Bingham, B. Petersen (Supervisor) and J. Ollila

Discussion Points:

- Went over the entire “Dangerous Building Ordinance No. 134” additions and wording changes were undertaken by the Committee. Supervisor will retype/update the entire ordinance and then convey it to Nick Daavettila for his legal review and acceptance.
- Went over the Twp’s Municipal Civil Infractions Ordinance that will prescribe the various penalty phases in to Ordinance 134 as well as all our other rewritten ordinances. Will call Paul Lehto and speak with him. The Charter Township of Calumet has employed Civil Infractions since Dec. 30, 2015.
- A brief discussion followed - considering the (2) members of the Personnel/Ins. Comm. are presently the acting Zoning Administrators”, the discussion then turned to “accessory buildings” with no foundations that are used for the storage of garden/outdoor accoutrements. It will be recommended to the Planning Commission that these be considered a permitted use and the landowner will incur a small fee.
