

Sewer and Water Committee Meeting
07/12/2012

Where: Township Office

When: 10:00 A.M.

Who Present: Peggy Anderson, Jim Zerbst & Bruce Petersen

Discussion Points:

>> Two letters that went out to Audrey Chamberlin & Mike Laajala concerning their separate situations with the new Dakota Heights sewer hookup. (See letters)

>> Discussed the need to have maintenance staff time cards truly evidence what they are involved with. This is especially true concerning Woodland water and Dakota Heights. This knowledge will help with future Township budgeting.

>> The new user charges for the new system will go on the accounts beginning with the August first billing evidencing usage for the month of July.

>> Sewer ordinance – base fee should evidence one base fee **per** one living space. His credit should be approximately \$991.00 per each of his three duplexes.

>> Sewage lift station pumps in the Hurontown/Dodgeville project have been replaced due to construction flaws. The Twp. got 1.5 years of usage out of them before their replacement. It was a factory recall.

Adjourned at 11:15 A.M.

Respectfully Submitted:

Bruce Petersen
Township Supervisor
