

MINUTES  
PLANNING COMMISSION  
CHARTER TOWNSHIP OF PORTAGE  
May 22, 2013

**Members Present:** Peggy Anderson, Rob Whitting, Bruce Petersen, Bob Grassechi

**Members Absent:** Jim Gale, Bill Marlor, Ted Solden, Dave Rullison, John Logon

**Audience Present:** Ted Grzelak, Pat Coleman, Sally Santeford

Bruce Petersen called the meeting to order at 7:00 PM beginning with the Pledge of Allegiance.

**Discussion Points** led by Pat Coleman (UPEA):

>> There was not a quorum – so no formal business could be undertaken – general discussion ensued concerning the Master Plan and associated future land use maps – this would just be another round of edits for the master plan.

>> There was a discussion to have the formal public hearing, called by the Planning Commission, sometime during mid-July. Tentatively, July 17<sup>th</sup> at 6:30pm was discussed as a possible P.C. hearing date.

>> The 63 day comment period for the Twp's neighbors, Agencies, businesses, Units of Government, etc. has expired.

>> Reviewed and enlarged the cross-hatched "mixed use areas" on the future land-use maps.

>> Changed some road names/spellings on the map

>> All the changes/edits will be done by two weeks from today. Any comments will be funneled thru the Supervisor and then on to Pat Coleman. All the changes will be posted on the UPEA web-site by the 12<sup>th</sup> June.

Peggy Anderson moved for adjournment, meeting adjourned at 8:00 pm.

Respectfully Submitted:

Bruce Petersen, Acting Secretary
